

Conference Details

It is our pleasure to invite you to the Indiana Immunization Conference 2007.

Hosted by

Indiana State
Department of Health

and

October 16, 2007

or

October 17, 2007

The Indiana State Department of Health, Immunization Program and the Indiana Immunization Coalition are offering this **free** educational opportunity to anyone in the immunization field.

This annual conference is designed to encourage, promote, and celebrate immunizations both in the public and private sectors. All health care workers involved in immunizations are encouraged to attend.

The Indiana Immunization Coalition will present their annual Appreciation Awards to honor organizations and individuals who make a difference in the lives of Indiana's children through immunizations. For more information on the awards and online nomination process, go to:

www.inimcoalition.org.
